

BECOME AN AFFILIATE.

Earn monthly cash!

(Individual single enrollment courses only)

Complete these steps to become an affiliate:

1. Send an email to the director expressing your interest in becoming an affiliate to ashan@arhampton.com.
2. **Include the following information in your email:**
 - o your first and last name
 - o your PayPal email address
 - o titles of the courses you want to promote--(5 maximum courses)
3. If you have never taken one of our courses, you will **receive an affiliate login ID, password and course links** from the director to track your commission sales. If you are a current or previous student, you will use your same student login to track your commission sales, and you will also receive affiliate course links from the director.
4. Share your affiliate links with your networks. Customers must click and enroll in courses through your affiliate link within 30 days of visiting the course landing page. The link tracks your sales, so this is important.
5. Receive payment through PayPal on the 15th of each month. All funds are calculated and sent USD.

Getting set up as an affiliate:

Please read this support article posted by our vendor to further understand how the affiliate enrollment and payment process works:

An Introduction to the Affiliate Menu (For Affiliates)

<https://support.thinkific.com/hc/en-us/articles/360030369454>

Affiliate Terms & Conditions

1. **We only accept affiliates that live within the United States and Canada.**
 2. Affiliates operating within the United States and its territories or Canada must have a **PayPal account to receive commission payments**. We do not use any other payment vendors. No cash. No checks. You must make sure that you give us the correct PayPal email address account information. We are not responsible for lost payments due to incorrect information.
 3. **Payouts will be sent via PayPal on the 15th of each month for the previous month's sales. (See the payment schedule in the affiliate packet.)** Remember, it is your responsibility to provide us with all of the correct information to send your payment. You may not be able to recover money sent to an account you mistakenly designate.
 4. **You will be required to fill out and [submit a payment information form](#) to the director before payouts are sent.** Please make sure that you submit the correct information. This information will be kept on file as long as you are an active, paid affiliate. If you terminate your affiliate relationship with us, your payment information will be discarded and shredded.
 5. **You receive 30% of each course sale initiated through your assigned affiliate course link.** However, your final payout will account for credit card/bank/international and PayPal transaction fees that are subtracted from the total amount of the course sale. So, instead of a straight \$19.40 off of a \$97 course sale, you might receive \$18.35. Likewise, if your total commission amounts to \$350.00, all applicable transaction fees will be deducted, so that your total payout might be \$331.40. All funds are calculated and sent USD.
 6. According to current IRS rules, we are not obligated to issue 1099s. Therefore, we will not issue 1099s at this time. However, we will abide by any 1099 rule changes.
 7. If you no longer wish to act as an affiliate, send an email to the director. Your affiliate dashboard will be closed immediately upon receipt of your email. You will receive any outstanding commission payments as scheduled on the 15th of the following month.
 8. The director/instructor of Onyx Online Education & Training reserves the right to close this affiliate program at any time without notice. The director/instructor of Onyx Online Education & Training also reserves the right to terminate individual affiliates at any time without cause. In either case, any remaining commissions will be paid on the 15th of the following month as scheduled.
 9. By requesting to become an affiliate for [Onyx Online Education & Training](#) courses, you agree to these terms and conditions of service and the procedures for enrollment and payment as outlined above.

DISCOUNT COUPON CODES

Choose the discount percentage amount to offer your audience. We will send you a personalized coupon code. Remember, discounts reduce your commission payout. For example, your commission rate is 30%. If you offer a 10% discount code, your commission for that sale will be 20%.
