GROUP ENROLLMENT PROCEDURES:

Scheduling:

1. Choose a class or multiple classes. **Call or email** with a start date in mind for your class sessions. Online access to classes is available 24/7 for 3 business days. Minimum of **5 participants** per class.
2. **Extra time:** An extension of 7 business days can be purchased at 1/2 the per participant rate x 7 days in addition to the regularly scheduled 3-day session rate. The total duration of one class will not exceed 10 business days.
3. Use the **registration form** to submit a list of participants. Please include valid email addresses. The certificate of completion will be sent to the email addresses provided. Each class requires a separate contract.
4. A **contract** stating the terms and responsibilities for the instructor and sponsoring organization will be emailed to the designated contact person. Dates and times for classes can only be secured with a signed contract, registration form, and payment of deposit or administrative fee.
5. Group enrollments are assessed a one-time **\$75 administrative fee** to cover processing for registration and certificates of completion.
6. An **invoice** for payment will be emailed to the group contact person.

Payment:

- **Pricing varies by course.** Ask about our current group rates per class.

- **Payment calculation:** The total payment for a regular session equals the **price of the class per person** multiplied by the **total number of participants, plus the administrative fee. For example:** $\$67 \times 15 + \$75 = \$1080$ (3 days). **Extra time** would be an additional $\$33.50 \times 15 \times 7 = \$3,517.50 + \$1080 = \$4,597.50$ (10 days).
- **Group payment option #1 (online):** On the **course landing page**, you will be given one total amount. After clicking "buy now," the group contact person will create login information, and make the payment. After payment is received, your contact person will receive the following **registration information** for each participant: 1) user login name, 2) password, 3) a company coupon code that gives each participant free access to the course, and 4) a web link to the class. The coupon code will also be used to track your group's progress. Certificates will be released based on individual progress throughout the class.
- **Group payment option #2 (online):** A **PayPal invoice** will be sent to the group contact person. Credit card payment for the total amount due will be submitted through PayPal. After payment is received, your contact person will receive the following registration information for each participant: 1) user login name, 2) password, 3) a company coupon code that gives each participant free access to the course, and 4) a web link to the class. The coupon code will also be used to track your group's progress. Certificates will be released based on individual progress throughout the class.
- **Group payment option #3 (mail):** A **check or money order** will be mailed to the instructor—**DBA: Onyx Online Education & Training**. After payment is received, your contact person will receive the following registration information for each participant: 1) user login name, 2) password, 3) a company coupon code that gives each participant free access to the course, and 4) a web link to the class. The coupon code will also be used to track your group's progress. Certificates will be released based on individual progress throughout the class.

Class Progress:

- Your group has **3-day (business), 24/7 access** to each online class. However, the sponsoring organization can require participants to finish sooner than the allotted time. If you want to adjust the time-frame for less time, please let us know. No extra time beyond 3 business days will be provided, unless extra time has been purchased.
- Each participant must maintain his or her own unique, individual class account. Logins cannot be shared. Progress will only be tracked for one person.

- Each participant must complete every lesson to receive a certificate of completion.
- It is important that each participant's progress shows 100% complete before the course closing date. No one can re-enter the class after the expiration date to finish lessons.

Certificates of Completion:

- After your class session closes, progress for each participant in your group will be tallied. Certificates will be generated for those who have successfully completed the course. **The group contact person needs to send a list of participants to ensure delivery of certificates.**
- Each certificate will bear the participant's name, and will be emailed to each participant—as a PDF document—to the address listed on the registration form.
- As an alternative, one single PDF file that contains the certificates for all participants can be downloaded by the group contact person. In this way, the certificates can be printed and distributed by the designee for the sponsoring organization.
- Certificates are generally sent 24-48 hours after class completion. However, please allow extra time for holidays and high enrollment volumes, not to exceed 7 business days after course completion.

9. **Organization's Advance Registration:** Completed registration forms, contract, invoice, and a check, money order or credit card payment covering the total amount due must be submitted before the online class session begins. Checks must clear before student enrollment begins.
10. **Payment calculation:** The total payment for a regular session equals the price of the class per person multiplied by the total number of participants, plus the administrative fee. **For example:** $\$67 \times 15 + \$75 = \$1080$ (3 days). **Extra time** would be an additional $\$33.50 \times 15 \times 7 = \$3,517.50 + \$1080 = \$4,597.50$ (10 days).
11. **Cancellation:** Due to the asynchronous nature of online classes, cancellation is not required. Class sessions can simply be rescheduled at the request and convenience of the sponsoring organization. However, if cancellation is absolutely necessary, then **cancellation must occur BEFORE** any participants have been enrolled in the course(s). The sponsoring organization cannot cancel a class once participants have been enrolled, the fees have been paid, or the class session has begun. The \$75 administrative fee will not be refunded, if it has already been paid.
12. **Rescheduling:** The sponsoring organization is allowed to reschedule class sessions to fit its needs. However, rescheduling **must occur BEFORE** any participants have been enrolled in the course(s). The sponsoring organization cannot reschedule a class once participants have been enrolled. If payment has already been received, no money will be refunded. The number of participants must match the original payment for the reschedule. For example, if the sponsoring organization paid for 25 participants, only 25 people will be allowed to access the class when it is rescheduled. If one participant drops out, another can be swapped in that person's place, not to exceed the original number of participants. If a participant is replaced, the contact person for the sponsoring organization must submit registration information for the new person to the facilitator before the class session begins. If additional participants want to join the rescheduled class, additional registration fees equaling the price per person for the online course must be paid for these new enrollees before class begins. No additional administrative fee will be assessed.
13. **No refunds:** The facilitator and the sponsoring organization agree that payment signifies the due intentions of both parties to fully deliver and participate in the scheduled online class sessions. No money will be refunded once payment has been received and processed. Instead, best efforts will be made to reschedule and deliver the contracted services.

Warranties. The Facilitator warrants as follows:

- (A) Facilitator is fully able to enter into and perform its obligations pursuant to this Agreement.
- (B) All services shall be performed in a professional manner.

- (E) **Relationship of Parties.** Both parties agree that the Facilitator is an independent contractor. This Agreement is not an employment agreement, nor does it constitute a joint venture or partnership between the Client and Facilitator. Nothing contained herein shall be construed to be inconsistent with this independent contractor relationship.
