

Thank you so much for becoming my eBook affiliate on Gumroad! I know that you were automatically assigned product links through your affiliate dashboard.

However, please use the links below to make sure that you get paid for every sale. Even if a user has blocked all cookies in their browser (e.g., Chrome, Safari, or Firefox)—you will still get paid regardless of their settings. Remember, web cookies are used to track your sales.

Below is a list of all the products that you can promote and receive a **20% commission** for each sale. **You do not have to sell all of them, just the ones you think your audience needs.**

Please follow these instructions before sharing these links:

- **At the end of the link where you see *affiliate_id=123456789*, replace those numbers after the equal sign with *YOUR specific affiliate id number*.**
- Copy and paste your id number at the end of the link after the equal sign.
- **Remember, use the exact affiliate id number that Gumroad assigned to you, even if it does not contain 9 digits as in the product link examples below.**
